In order to publish your article we need your agreement in written format. Kindly, complete the form and send it with the final version of your manuscript. The same is required to obtain copyrights for papers published in the journal for indexing them to various repositories.

The undersigned is hereby transferring any / all rights, in and to the paper including without limitation and all copyrights to the **International Journal of Advance Scientific Research & Engineering Trends**. The undersigned represents and warrants that the paper is original and he/she is the author of the paper, except for material that is clearly identified as to its original source, with permission notices from the copyright owners where required. The undersigned also represents that he/she has the power and authority to make and execute this assignment. The undersigned agrees to indemnify and hold harmless the IJASRET from any damage or expense that may arise in the event of a breach of any of the warranties set forth above. In the event the above work is not accepted and published by the IJASRET or is withdrawn by the author(s) before acceptance by the IJASRET, the foregoing copyright transfer shall become null and void and all materials embodying the Work submitted to the IJASRET will be destroyed. For authenticity, validity and originality of the any paper the author/authors will be totally responsible. This agreement is to be signed by the first or at least one of the authors who have obtained the assent of the co-author(s) where applicable.

Authors have full rights to submit a copy of their published papers to all open access repositories. They can self-archive both their original and/or journal published versions.
